## General Field Trip Permission Slip 2018 – 2019

As part of our curriculum at the Barn School, we will take many field trips throughout the year to complement and support our themes and projects. Sometimes these trips will be planned far in advance, but more often than not, due to the nature of our child-directed curriculum, the opportunities will arise and provide us with less advance notice. One of the benefits of our program is that we can pursue these different opportunities as they arise, and it gives us the chance to make connections with our communities and foster a greater sense of belonging and stewardship. Our learning is deepened by these experiences, and they enable us to gain insight that we might not otherwise be able to have.

This general field trip form allows you to give permission for general field trips throughout the 2018-2019 school year to destinations within a 25-mile radius of the Barn School. Should we wish to venture farther, a separate field trip form will be provided. Some of the locations include places like the Audubon Center, ECHO Museum, local businesses, libraries, theaters, other schools, and parks. Transportation will be provided in The Barn School Van and/or teacher vehicles.

---

Please check appropriate options:

I give my child permission to attend the field trips sponsored by The Barn School during the 2018-2019 school year. The general permission is limited to a 25-mile radius from the Barn School; field trips beyond that range will have a separate permission slip. My child may ride in The Barn School Van or in a teacher's vehicle.

I will provide my own car seat for my child.

I give permission for my child to use one of the car seats provided by The Barn School.

I do not give my child general permission to attend field trips. If I would like my child to attend field trips with the school, I will provide transportation for my child. Otherwise, I will need to make alternate arrangements for the my child during the time of the field trip as the school will not remain open.
